

## COMMODORE'S REPORT

Bula

The Fishing for Christchurch event organised by Rodger McIntosh and James Mobberley with help from the Executive, House Committees and members turned out to be a great event. Also thank you to all the sponsors and nonmembers who gave their time at no cost to the club, \$13530 was raised, a great effort by all, thank you for supporting this, especially Rodger and James.

Work has started on upgrading and relaying the metal in the hardsite area, this will involve moving the vessels as and when needed, also the glass sliding doors for the sports bar area should be completed soon.

We are waiting for a decision from the Licensing Trust on the grant we have applied for before the replacement of the wharf pontoon project proceeds.

Generally I'm pleased to report that we are on budget for another successful year, full details of the financial performance of your club and other matters will be available next month at the quarterly meeting on 24th May

All the best

## HOUSE COMMITTEE REPORT

Hello Members

Welcome to our next month of entertainment, we will have music on several Sundays from 3pm to 6pm when the Warriors are not playing. The 28 / 29th May will be an overnigher fishing week-end, go anywhere, be back at the club for weigh in by 3pm Sunday. Categories will be on posters in the club, \$20 cost per person and very good prizes. If the weather is bad it will be held the next week-end so hold all tickets if that is so. 20knots will be the call off at the club on the Friday nite 27th. The posters will be in the club so come in and see what is happening with this.

MEN OF STEEL will be at the club for ladies only, on the Friday 10th June. Tickets at the club over the bar or in the office, also with Sadie / Christine / Sandy / Cheryl. Only 250 tickets available, 110 tickets have already gone, it will be fun if you have a birthday or something to celebrate. Be quick on this one ladies. Restaurant will be open.

POOL & DARTS This is on Sunday June 19th Starting @ 10am another competitive day for ladies and gents come one come all. There is a trophy for this day.

Forward planning:

July - date TBA, a Hollywood night - come as your favorite Movie Star Singer or Old Time Star. There will be a photographer to make this one to remember. Great music, a very good meal will be with this function \$25 a ticket The club will be dressed up for this function.

August - date TBA - for prize giving in the clubrooms.

Our Friday Western Night winner will be enjoying their night in a hotel in May, all will be revealed next newsletter.

Cheers from Cheryl and team

## PROPERTY OFFICER'S REPORT

**Commencing operation hard site:** I would like to say thank you to everyone that is involved in this project, working together is what makes a club.

Also we would appreciate it, if people put their rubbish in the rubbish bins, ALL the waste oil in the recycling tank that is located beside the custodians shed, and the bottles in the recycling bottle bins which are by the green shed, when you come up from the wharf, that way we are all doing our part in being eco friendly.

Booking your boats at the work bay must be done during office hours, so please make sure you come to the office and give us all your boat details prior to the weekend.

The executive must approve any boats that are over 15 metres that wish to use the hardsite. Enjoy the rest of the boating season

Happy and safe boating  
Charlie.

## **TBC Weekender Fishing Tournament - fish for Christchurch.**

This tournament was run over Saturday & Sunday, 9th & 10th April in excellent weather. The turn out was not as large as expected and this was in part attributed to the bad weather Auckland was experiencing leading up to the weekend. Needless to say, a good time was had by all those that attended. The overall result was \$13530 raised through Donations, Ticket sales, a fish auction and a general auction, the proceeds will be sent to Christchurch via ASB Christchurch Relief Fund.

The event was conceived and organised by Jeremy Waterer, Rodger McIntosh and James Mobberley who put a lot of time and effort into obtaining sponsors and ensuring that it was set up and run in a professional manner. Also a thank you to all the volunteers that helped on the weekend, some of which put in long hours to ensure that it ran smoothly.

All prizes and goods for the auction were donated and along with sponsorship ensured that no costs were incurred that had to be deducted from the weekend proceeds.

Below is the list of sponsors and companies that donated product and services (in no particular order). We ask members to show their appreciation by supporting these companies.
