

## COMMODORE'S REPORT

Bula

Happy New Year to all, I trust that you have enjoyed the festive season and 2011 is prosperous for you. We have had satisfactory support at the club during the Xmas holidays and generally overall we are in line with budget.

The BBQ area is proving popular with members and their guests. Remember there is no charge for the use of the BBQ's, all we ask is that you clean them after use and put your rubbish in the bins.

Elsewhere in this newsletter are details of coming events, please support them as Cheryl and your team put a lot of effort in organising them.

Thank you to the members who attended the working bee on the 10th December.

A Reminder that the first quarterly meeting for 2011 is being held on Tuesday 22nd February at 7pm

All the best

Len Whysall

## **WORK BAYS**

There have been a tendency over the last few months for members to use the work bays without booking them. This has resulted, at times, where members that have booked have been unable to use them. As such, to deter this practice, the charge for using the work bays without booking has been increased to \$50 a day. This charge will take effect immediately. The normal fee for the work bays will remain at \$15 per day

## **DINGHY PONTOON**

A reminder that dinghies are not to be left tied up to the Dinghy pontoons, they are to be put in their allocated spaces. At times there are so many tied to the pontoon that it is causing difficulties for members that wish to launch or retrieve their dinghy.

Effective from Monday 17th January all dinghies left tied to the pontoon will be confiscated and will be returned on payment of a \$25 fee.

## SPIRIT OF ADVENTURE CRUISES

We had a record number of applicants for cruises this time. We are aware that some people will be disappointed by missing out on the ballot but unfortunately it cannot be helped. Those that missed in the ballot will be kept in mind for reserve spots in case some successful applicants cannot make their voyage.

The lucky sailors are:-

**Cameron Dee**

**David Gundy**

**Danielle Hanwright**

**Amber Welsh**

Please contact Tess in the Club office to find out how you claim your voyage. If you are not able to take your voyage let the office know without delay. Other potential sailors are waiting in the wings!

## Clubs Liquor Licence

To ensure we are not found to be breaching our obligations under the Clubs Liquor Licence.

Please remember that:

The Club is only available to financial members, their guests and members of clubs that have reciprocating visiting rights.

All guests must be signed in by a member and that member is responsible for their guest's action within the club, the guest/s must leave the premises at the same time as the member.

Guests must carry their copy of the "sign in" sheet and produce it if requested to verify their right to be in the club.

Please do not be offended if staff asks for proof that you are member before serving you, as there is such a large member base it is hard for them to know everyone and it is only to ensure that we stay within the conditions of the Licence.

We will also be doing random card checks to ensure that all members are fully paid up and eligible to be in the club rooms.

Remember the Club rules state that you must have your card on you at all times you are on the club grounds.

Thanks
