COMMODORE'S REPORT

Bula
All would have now received your invoice for member fees, pay before the 31st July to obtain discounts shown on the invoice.
The BBQ area upgrade is well advanced and will be completed in the next few weeks. The building committee has done a great job on this project and I thank them for their efforts. I trust that members will make good use of this facility when completed.
The A G M will be held on Sunday 29th August at 1 pm. Nominations for all positions will be open on Monday 2nd August and close on Sunday 15th August at 1pm.
The recent Coastguard courses were well attended and the feed back I have had is positive. We will have more in the future.

All the best,
Len Whysall

HOUSE COMMITTEE REPORT

Hi there everyone
Well what a busy month it has been, the BBQ area is looking good with the new structure taking shape. It will all be ready for us to use soon and no doubt will be well used in the summer.
Attendance at the Swashbucklers night was very disappointing, but the 29 people who attended had a great time, the whole lot of us are now wonderful dancers and just the best singers!!!
The Commodores Night, Denis' farewell and the Prize giving will be held on Saturday 7th August at 7pm. The kitchen will be open from 5pm with their usual delicious fare. (The bread & butter pudding is to die for). Music will start at 8.30 until 11.30. The dancing lessons didn't happen due to lack of interest, but those who may be interested should check the notice board for details from the people who were going to run it and their invitation to use their facilities.
There will be a working bee at the Club on Sunday 8th August from 8am. There are a few things inside and out of the Clubhouse that need tidying up before the AGM. All hands on deck would be appreciated, a sausage sizzle and a few drinks at lunchtime for the workers.

See you all at the Club?
Cheers
Maxine Saunders
Club Captain

PROPERTY OFFICER'S REPORT:

Giddy
The winter is upon us, the winds pick up a lot of rubbish, so if you see a little bit when you are walking past please throw it in the bin, remember it's your club.
Thanks to all those people that secure their dinghies, there have been a few more dinghy lockers allocated. Make sure your dinghies are secured for your own sake.
We are doing annual maintenance on our cradles and it's a good time to inspect your own cradles to make sure they are up to a safe and satisfactory standard.
In all, things are humming along quite nicely.
Big thanks to Bev for helping me clean up the rainbow warrior site.
There have been a few complaints about planks and ladders going missing, it's in your best interest to padlock your property up, and if you borrow someone else's plank please return it.
In all it's been a great year, just a big thanks to all the boaties that have helped me thru this year.
Cheers
Captain Cook☺

PHIL HAPPY GILMOUR 70th

Steve and I would like to thank you Phil for a great night out, one of the best we have enjoyed for a while. Also Phil. I have put in writing what I wanted to say on the night.

Should I ever need it, I hope I get the same sort of love and support you have given Jan in her time of need. You have been a ROCK and above all else we admire you for THAT. Behind every good man there is a good woman, and Jan knows, behind every good woman is a good man.

Cheers Phil

All our love
Steve and Shannon
