COMMODORE'S REPORT

Bula

Welcome to 2010, this being the first newsletter, I trust all members have had a great festival season and I wish you a prosperous new year.

Due to work commitments, Roger Pauling has resigned from the Executive Committee and Bob Thorp has taken his place, welcome aboard Bob.

The House Committee is well advanced with their planned functions for the next few months, elsewhere in this newsletter are the dates for coming events, they need to be supported to be successful.

The Quarterly Meeting is Tuesday 23rd February at 7 pm, there will be an update on projects from the Building Committee as well as the usual update of financial matters and general business.

We could use more patronage in the Clubrooms particularly from new members and for those that haven't been lately, a reminder that entry is only via the front entrance by using your swipe card. Don't forget to sign in your visitors (only 12 times a year). We have declined entry to non members already. Don't forget our Liquor Licence is at risk if / when the Authorities visit us and we are found not to be following the conditions of our Licence.

A reminder to members planning a function at the Club – Book early as all functions require a Special Licence which takes a minimum of three weeks to obtain... No Licence No Function!! Book at the office for all costs etc.

The 50th Jubilee Year Book you should now have received, if not give the office a call to obtain one.

Thanks to Maxine Saunders, our editor and also Blair Wadman for Design & Production.

A special thanks to our Advertisers for supporting the Book.

All the best, Len Whysall

HOUSE COMMITTEE REPORT Hi Everybody and Happy New Year

I hope everyone had a safe & happy holiday break. The House Committee has been busy organizing events for this year and we are starting off with our usual picnic at Motuihe Island on the 21st February. If you need a ride to the picnic, there is a list on the notice board you can add your name to. Dates for the Fishing Competitions have been set and can be found later in the newsletter.

The Committee is also looking at holding a swap meet for boat bits and associated items towards the end of April, more details in the next newsletter. We also have the Barn Dance and Darts Tournament which dates still need to be finalized.

The Bistro has a new menu and from the reports I have had, it isn't half bad.

Hope you enjoy the rest of your summer, stick together and watch the weather

PROPERTY OFFICER'S REPORT: Giddy

Hope you all are having a lovely summer.

The hard site has slowed down a bit; please remember to clean up your hard site when your vessel goes in, as there has been a lot of rubbish left

laying around- people will be getting charged for this.

There are still unsecured dinghies, impounding will still carry on.

The Workshop - If you use the workshop PLEASE put the items back in their proper places and if you are using the saw bench CLEAN UP after yourself.

On the whole, everything seems to be running smoothly around the yard.

I am going to be away for two weeks starting this Sunday (7th Feb), so if you have any haul outs wanting to be done please arrange it with the office.

Happy & safe boating for the rest of the summer

Cheers Charles Cook
